DATED Bangalore 6th January 1904

SUBJECT.

Increased rates of batta ~~etc~~ to the Mysore State Troops.

Correspondence ending with the Comptroller's No 2617/56 dtaed 26th December 1903 submitted for orders.

I would note that in the Hydera-bad Residency where I served for some time as Military Secretary for the Contingent no important change was ever passed without obtaining the Comptroller's opinion thereon.

I therefore sent the papers to the Comptroller for report. He stated that he was unable to make any observation.

I then suggested that he should show the likely cost involved in the new scheme as compared with previous expenditure. He then said to do so would involve too much work. and suggested obtaining this informa-tion from the Chief Commandant at whose

whose suggestion the rates are to be increased. The account would in any case have to be checked by the Comptrol-
-ler.

No. FL. 2953—5, DATED BANGALORE, 30TH APRIL 1904.

ORDER THEREON.—The Chief Commandant, Mysore State Troops, states that the scale of Railway accommodation, etc., allowed to Cavalry and Infantry Regiments under Articles 606 and 608 of the Mysore Service Regulations was fixed a long time ago and, if adopted under the present altered circumstances of increased pay to Sowars, would cause much loss to Government. He further points out that under the existing rules non-commissioned officers and the Sowars of the Imperial Service Regiment can claim double 2nd class Railway fare like commissioned officers, while Adjutants of the Infantry Regiments, although ranked along with Jamadars get only single 3rd class. He proposes therefore that the existing rules laid down in the Articles above referred to may be amended and the scale fixed as shown in the statement appended.

The scale proposed by the Chief Commandant is sanctioned and the Comptroller requested to take early steps for the amendment accordingly of Articles 606 and 608 of the Mysore Service Regulations.
